To: All Shareholders of PIMCO Asia High Yield Bond Fund (the “**Fund**”), a sub-fund of PIMCO Funds: Global Investors Series plc

**Re: PIMCO Funds: Global Investors Series plc (the “Company”)
Change to the Dealing Day and Dealing Deadline of the Fund**

Dear Shareholder,

We are writing to inform you of a change to the Dealing Day and Dealing Deadline of the Fund, subject to the relevant regulatory requirements of the Central Bank of Ireland.

For applications which are made directly to the Administrator, the Dealing Deadline of the Fund (i.e. time by which a request to purchase or redeem Shares on a Dealing Day must be received to be effected on that Dealing Day) will change from 4.00p.m. Irish Time on each Dealing Day to 9.00a.m. Irish Time on each Dealing Day. For the avoidance of doubt, there will be no change to the Settlement Deadline and Valuation Point in respect of a Dealing Day.

The Dealing Day of the Fund will also change from “any day on which banks are open for business in the United States or such other days as may be specified by the Directors with the approval of the Depositary provided there shall be one Dealing Day per fortnight and all Shareholders will be notified in advance” to “any day on which banks are open for business in Hong Kong or such other days as may be specified by the Directors with the approval of the Depositary provided there shall be one Dealing Day per fortnight and all Shareholders will be notified in advance”. Notwithstanding the foregoing, it will not be a Dealing Day for the Fund where either as a result of public holidays or market/stock exchange closures in any jurisdiction, it makes it difficult (i) to administer the Fund or (ii) value a portion of the Fund’s assets.

The Investment Advisor believes that the change in Dealing Day and Dealing Deadline will allow the Fund to be managed in a more efficient manner. Given the Fund primarily invests in Asia fixed income securities that transact during Asia business hours, bringing the Dealing Deadline forward and changing the Dealing Day to any day on which banks are open for business in Hong Kong will provide alignment with the trading of the underlying assets.
